Invitation to sponsors and exhibitors

Welcome

NENUN is the “Nordic Environmental Nucleotide Network”. We are a group of more than 20 laboratories in the Nordic Countries which work with Molecular Microbial Ecology in various settings like soil, freshwater, groundwater, deep ocean floor etc.

NENUN gathers the leading experts in environmental nucleotide research, and offers a great opportunity for you to meet the Nordic laboratory experts and showcase your products.

Conference venue

The meeting is held in Copenhagen date 14 November – 16 November 2017 at:

**Copenhagen Bio Science Park (COBIS)
Ole Maaløes vej 3, 2200 Copenhagen N.
Denmark**

Why attend the NENUN Conference?

The NENUN meeting is a recurring event which has been taking place since 2010 in different Nordic research centers.

- Between 45 and 70 delegates have attended the meeting every year with representation from an average of 20 Nordic laboratories.
- This year the meeting is expected to have attendance from 20 Nordic laboratories and with over 40 dedicated microbiologists.
- As a new initiative, we are offering each exhibitor a **5 min sales-pitch** in front of the audience.

Please note that the NENUN conference is held the day after DMS conference 13th November 2017.

We look forward to welcoming you to NENUN conference in Copenhagen.

Kind regards

On behalf of the organizing committee
