

NENUN 2018

Nordic Environmental Nucleotide Network

The 9th NENUN Meeting will take place on Tuesday 13th November 2018 at University of Copenhagen, Marmorhallen, in Frederiksberg, Denmark.

CONFIRMED SPEAKERS

Mads Albertsen

Fiddling with Nanopore Sequencing: The Good, the Bad and the Ugly

Eeva Eronen-Rasimus

Biogeography of sea-ice bacteria

Edith Hammer

Terrestrial Environment

Andreas Schramm

Raman microscopy and nanoSIMS to assess activity, redox state, and generation times of single cells

Woo Jun Sul

Engineered Environment

ADDRESS

University of Copenhagen
Thorvaldsensvej 40
1871 Frederiksberg

REGISTRATION FEE

800 DKK (incl. coffee breaks, lunch and dinner)

REGISTRATION AND ABSTRACT SUBMISSION

<https://www.m-anage.com/Login.aspx?event=nenun2018>

EXTENDED ABSTRACT DEADLINE

25th October 2018

We welcome all contributions applying an "environmental nucleotide approach" to study microorganisms in environmental samples.
