

NENUN PROGRAMME

November 29th – December 1st 2016

at COBIS, Ole Maaløvs Vej 3, 2200 Copenhagen N.

Tuesday November 29

11:30	Registration	
12.00-13.00	<i>Lunch (optional)</i>	
13.00-13.45	The history of NENUN – the Nordic networking platform for molecular microbial ecologist – and future plans	Carsten Suhr Jacobsen, AU & Niels Fibæk Bertel, CAP partner
13.45-14.00	<i>Coffee break</i>	
14.00-17.45	Group presentations	
	14.00-14.15	Microbial starter cultures Chr Hansen A/S Jacob Bælum
	14.15-14.30	Microbial Ecology and Biotechnology at Aarhus University Roskilde Anne Winding
	14.30-14.45	The Molecular Microbiology and Ecology group at University of Copenhagen Søren Sørensen
14.45-15.00	<i>Coffee break</i>	
	15.00-15.15	Finnish Environment Institute Kirsten Jørgensen
	15.15-15.30	Microbial Ecology group, Department of forest mycology and plant pathology at the Swedish University of Agricultural Sciences in Uppsala Sara Hallin
	15.30-15.45	Marine Microbiology Research group, Department of Biology, University of Bergen, Norway Lise Øvreås
15.45-16.00	<i>Coffee break</i>	
	16.00-16.15	Molecular Microbiology Group at the Department of Environmental Sciences, Aarhus University Lars Hestbjerg Hansen
	16.15-16.30	Principal Investigator in the Freshwater Microbial Ecology group at the Department of Ecology & Evolution, Uppsala University Sari Peura
	16.30-16.45	The microbial biotechnology group at Department of Agriculture and Ecology, University of Copenhagen Peter Stougaard
16.45-17.00	<i>Coffee break</i>	
	17.00-17.15	Department of Environmental Sciences at the University of Helsinki Seyed Abdollah Mousavi, Aregu Amsalu Aserse
	17.15-17.30	Department of Environmental Engineering , DTU Environment at the Technical University of Denmark Barth F. Smets
17.30-19.30	<i>Beer, networking and commercial exhibition</i>	
19.30-22.00	Dinner at COBIS	

NENUN PROGRAMME

November 29th – December 1st 2016

at COBIS, Ole Maaløvs Vej 3, 2200 Copenhagen N.

Wednesday 30 November

09.00-11.45	Group presentations		
09.00-09.15	The UMB Nitrogen group at the Norwegian University of Life Sciences		Åse Helena Frostegård
09.15-09.30	Arctic microbial ecology at the Department of Arctic and Marine Biology, University of Tromsø		Mette Marianne Svenning
09.30-09.45	Department of Biological and Environmental Science at the University of Jyväskylä		Anu Mikkonen
09.45-10.00	<i>Coffee break</i>		
10.00-10.15	Novozymes		Preben Nielsen
10.15-10.30	The Department of Biotechnology, Chemistry and Environmental Engineering at Aalborg University		Jeppé Lund Nielsen
10.30-10.45	The Molecular Microbial Ecology Group at the Department of Biosciences, Aarhus University		Kasper Urup Kjeldsen
10.45-11.00	<i>Coffee break</i>		
11.00-11.15	The Center for Permafrost, Department of Biology, Copenhagen University		Anders Priemé
11.15-11.30	The Molecular Microbial Ecology group at University of Tartu Estonia		Jaak Truu
11.30-11.45	Molecular Environmental Microbiology group - University of Helsinki		Kim Yrjälä
11.45-12.15	Sum up of participating groups – are we missing anyone in the network		
12.15-13.15	<i>Lunch at COBIS</i>		
13.15-15.45	Poster flash presentations		
15.45-17.30	Poster session and commercial exhibition		
17.30-19.30	Transport to Christiania and guided tour of the area Address: Gallopperiet, Loppebygningen, Christiania - Sydområdet 4 A, Copenhagen K		
19.30-22.00	Dinner at Spiseloppen in Christiania Address: Spiseloppen, Bådsmadsstræde 43, Copenhagen K		

Thursday 1 December

09.00-11.00	Inspirational talks on future use of molecular techniques in microbial ecology	Jeppé Lund Nielsen, Aalborg University; Åsa Helena Frostegård, Norwegian University; Søren J. Sørensen, University of Copenhagen; Sara Hallin, Swedish University
11.00-12.00	The new NENUN – rules membership and board election – next workshop and future activities in NENUN	
12.00-13.00	<i>Sandwich lunch (Optional)</i>
